## OPTIONAL RAFFLE TICKET FUNDRAISER

How it works:

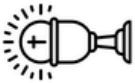

- Print off as many pages of donation tickets as you want (see printable tickets). For a suggested donation of \$10 per ticket- offer friends, neighbors, and relatives the opportunity to be entered in a \$200 amazon gift card drawing.
- Thank them for supporting you and collect the ticket stubs with their contact info.
- Give all the money you raise to your mom or dad, since they are paying for your camp registration! Bring the ticket stubs with you to the summer camp registration table at drop-off.
- The drawing for \$200 amazon gift card will be at the closing of each camp
- Whatever you sell goes directly towards your amazing ECYD Camp Arise experience! Don't forget to tell people supporting you about your favorite camp moments and what makes it special for you.
- You only need to sell 50 tickets to cover the full cost of your camp registration. You can sell as many or as few tickets as you want.
